To shareholders

Dear Sir or Madam,

**PROPOSALS INVOLVING
GENERAL MANDATES TO REPURCHASE SHARES
AND TO ISSUE NEW SHARES
RE-ELECTION OF RETIRING DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING OF THE COMPANY**

1. GENERAL MANDATE TO REPURCHASE SHARES

At the last year's annual general meeting of the Company held on 30th August, 2012, a general mandate was given to the Directors to exercise the powers of the Company to repurchase Shares of the Company. Such mandate will lapse at the conclusion

LETTER FROM THE BOARD

of the forthcoming Annual General Meeting. It is therefore proposed to seek your approval of an ordinary resolution to be proposed at the forthcoming Annual General Meeting to give a fresh general mandate to the Directors to exercise the powers of the Company to repurchase Shares.

This is the explanatory statement, as required by the relevant rules set out in the Listing Rules to regulate the repurchase by the Company under the Share Repurchase Rules, to provide requisite information to you for your consideration of the Repurchase Proposal.

Share Capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,686,906,458 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Proposal to repurchase a maximum of 168,690,645 Shares during the course of the period from Thursday, 29th August, 2013 to the earliest of (i) the date of the annual general meeting for the year ending 31st March, 2014, (ii) the date by which the next annual general meeting of the Company is required to be held by law and (iii) the date upon which such authority is revoked or varied.

Reason for Repurchase

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and its Shareholders.

Funding of Repurchase

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-Laws and the laws of Bermuda. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or out of the funds of the Company otherwise available

LETTER FROM THE BOARD

for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium of the Company before the shares are repurchased.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31st March, 2013 in the event that the power to repurchase Shares pursuant to the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.
